BGFIEND DAILY REPORT - 2 JULY 1951 - MONDAY

Details have been received from Rome on the plan for the visit of the military Junta of the National Committee for Free Albania to the covert training camp in Germany in early July. Accompanied by [] OPC liaison officer to the NCFA, and his assistant, [] the Junta will leave Rome early on the 4th of July and return to Rome on the night of the 6th following their tour. The Junta has insisted upon this visit to the team members prior to their infiltration, but it is felt that a carefully controlled visit to the training school will prove much easier to handle than a visit to the group in Greece just prior to their infiltration. Last fall members of the Junta visited infiltrates in Greece just prior to the operation, and their presence caused some difficulty.
